Why exhibit?

Don't get lost in a pile of CVs, get out there and meet job seekers in your local area.

We know that finding the perfect candidate is not an easy task, so we're here to help. Research shows that 70% of job seekers search for jobs in their local paper and 87% active job seekers use a job board in their search. But what about those great candidates not actively looking for a job?

Working in partnership with y1jobs.com, the new home for recruitment in Yorkshire, we can reach a unique pool of both active and passive candidates.

Backed by targeted email and social media marketing campaigns our job fair reaches those candidates that other job fairs simply can't.

Event details:

Taking place on 14 September 2017, this year's event will be held at The Bradford Hotel, Hall Ings, Bradford and offers free entry to the public from 10.30am to 5pm - bringing you one step closer to hiring that perfect candidate.
